

1

## List of Stakeholders

Brainstorm all of the relevant stakeholders from public and private service that will be involved or interested in your work

2

## Stakeholder Map

Taking from the list of stakeholders on the left, choose how influential and interested they are.

Influence: how much a stakeholder has impact your work (positively and negatively)

Interest: how aware and engaged a stakeholder is or will be in your work

The most interested and influential should be positioned in the 'Actively Engaged' box, these are the main stakeholders.
